## Important: Online Safety

Tuesday 20th February, 2024

Dear Parents/Carers,

We've been told that some of our children are accessing websites that are unsafe, and wanted to write to tell you.

Some pupils have accessed sites similar to Omegle, which is wholly inappropriate for children, there's more about why below.

More information from Internet Matters [here](#)

or here:

Some children are being led to these sites via WhatsApp, TikTok, etc. - one such site is FTFLive, promoted in links on TikTok.

Sites like this randomly put people into a closed video chat room with another user, without warning or filtering; this means it isn't unusual to drop into a video chat with someone who is unclothed, or where there may be any other inappropriate scene taking place live, and without filtering, monitoring or moderation. You can see why we might be worried, and why we want to tell you

Yours Sincerely,

Mr Ryan Lewis  
Headteacher
